Averaging less than 150 pounds in the backfield and 170 pounds on the line, the 1947 version of the Bluebirds made up for size with skill and aggressiveness. A 39-0 victory over the Camels of Campbell County gave early evidence of the Highlanders power. With a display of well-rounded abilities, the backfield crossed the Camels' goal in every quarter, while the line held a flawless defense.

It was in trouncing the Dayton Green-devils that the Bluebirds caught the sports-writer's eye. Dayton, usually among the

best, gave way to long runs in every quarter. Bob Schneider compiled four touchdowns, and Duke Schneider added another besides kicking four extra points. Don Grimme added a sixth touchdown, for a total of forty points.

Next the Erlanger Lloyd team visited Highlands and received a worse beating than the Devils. The Schneider brothers dominated the play with two touchdowns each, but the 46-0 score shows that the victory came easily.

The Lafayette Generals came all the

BIRD GRIDDER S

way from Lexington to be trampled by Highlands. The 'Birds scored six times against the overrated Generals. Duke Schneider led the scoring with three touchdowns and two extra points, while brother Bob made one of each. Ed Johnson and Jim Haas, right and left ends, each added six points.

The Bluebirds found their way to the top of the N. K. A. C. by defeating the Tigers of Bellevue, 39-14. This game was to be a toss-up between two undefeated teams, but the 'Birds left no doubt in anyone's mind as to the better eleven. The defense of our forward wall stood out. Johnson assured victory early. However, Bellevue, scoring twice on long passes, became the first team to cross the Highlands goal line.

The following game was equally exciting, Highlands versus Newport. These two undefeated teams met at Newport Stadium and fought a hard battle, but the 'Birds emerged on the large end of an 18-7 score. Bob Calhoun and Bob Schneider carried the ball across with the aid of a highly-spirited team.

Only the rain, which turned the "Dust Bowl" to mud, kept the score at 18-0 against Ludlow. This seventh straight victory was marred by a continuous down-pour, which kept ball-handling at a minimum. Tom Otto scored two touchdowns and set up another. Both he and Jerry Thress, who scored the third, relied on straight line bucks.

The boys realized they had to do better to beat the strong Ashland Tomcats, and they did. In a well-balanced contest at Ashland, Tom Otto squeezed over a lone score in the final period to make the trip a great success. Highlands was

greatly outweighed in this game but won through outstanding defensive play.

At this point the Bluebirds were atop the Northern Kentucky Athletic Conference, the leading team in Greater Cincinnati, and among the leaders in the state of Kentucky. But Covington Holmes caught the boys in a moment of weakness and defeated them, 21-0. Through a ruling, the team was edged out by Holmes for the Conference championship, although the 'Birds had the better record.

The fellows forgot their defeat, however, and went on to wallop Dixie Heights and Newport Catholic in good old Highlands fashion. Both teams were downed

Confusing!! - - isn't it?

Vim, vigor, and vitality are three adjectives that perfectly describe our Highlands cheerleaders. These six girls have appeared faithfully in their blue and white uniforms at all sports functions to cheer the 'Birds on. They have co-ordinated the enthusiasm of their audience and led them in novel, effective school yells. During the sports season the girls conducted pep rallies to show the team they were pulling for them—win or lose.

The cheerleaders are always ready to give a cheer for us so why not reverse the situation and give a cheer for them?

The winter of 1947-48 saw the return of "Cheerful Charlie" Allphin to the basketball wars. For the first time since 1944 there were boys present who had played previously and consequently Highlands put out its best team in some time. When the smoke of battle cleared away at the end of the year the Bluebirds had won half their games and almost managed to pull a major upset of the year against Bellevue in the tournament.

The first week of play saw Highlands take on Dayton and Bellevue, two of the strongest teams in this section. Against Dayton the boys did not play up to par

and lost, 48-21. After putting up a hard fight the Birds finally went down to defeat before Bellevue, 53-44.

In the next two weeks the Birds staged their longest winning streak in four years at the expense of Ludlow, Simon Kenton, Silver Grove, and Florence. During these two weeks the team really played good ball.

The brief streak came to a sudden halt at the hands of Campbell County. After piling up a big lead the Bluebirds seemed to fall apart and the final score was 36-33 in favor of the Camels.

The Highlanders showed good form in their next three games, winning two and dropping a close one. Newport and Beechwood were easily defeated, then after leading Dayton for three periods the Birds finally gave in and we went down to defeat, 35-31.

Two tough foes were next on the schedule and neither of them found much trouble in taking the Birds into camp. At Bellevue we lost 43-37 and the high-powered Holmes Bulldogs won 49-31.

The following four games were all thrillers. In close contests we won over Erlanger and lost to Dixie Heights by a single point. Against Newport a week later the Birds had an easy time in win-

ning, 45-28. Playing Norwood, one of the top teams in Cincinnati, the Highlanders went down to defeat by a single marker.

In a return engagement with Covington, Highlands still could not stop the Bulldogs and lost, 54-42.

Taking on the country boys next week the Bluebirds split even, winning from Silver Grove and losing to Campbell County, 51-32.

In the last game of the season the

Birds travelled to Ludlow to vanquish the Panthers, 60-35.

The following week Highlands participated in the district tournament. We drew Bellevue, supposedly a strong contender for the championship. Much to the amazement of the large crowd Highlands led the Tigers throughout the entire game. With three minutes to go our boys held an eight point lead. Then something obviously went wrong. The first meet of the 1947 season was a triangular contest with Dayton and Campbell County. Highlands racked up a total of seventy-three points and first place in the meet.

The following week the Highlands squad ran over a weak Newport team, winning every event except the 880-yard relay and the mile run.

A week later at the Knights of Columbus relays at Withrow High School the Birds lost their first meet of the season, finishing behind Lockland. Although losing the meet, Highlands set records in the pole vault and the sprint medley.

The next Tuesday witnessed the Tenth Annual Highlands Relays. Highlands was

first, Holmes second, and Bellevue third. Harold Ziegler set a new meet and school record, pole vaulting 11 feet 9 inches.

Saturday, May 17, the Birdmen again defeated Bellevue and Covington to become Northern Kentucky champs. Calhoun and Bathiany turned in good times in their respective events, and Harold Ziegler broke the school record in the high jump.

That seemed to end our winning ways for the season, as we finished a poor fourth in the District meet a week later. The whole squad suffered a let-down and just could not get rolling.

Despite our disappointnig show in the District meet several boys qualified and

participated in the Kentucky state track meet at Lexington June 4. The Bluebirds hung up two new school marks, while finishing sixth in the meet. Bert Bathiany broke the existing record in the 220-yard dash, and Howard Orth broke the record for the half mile.

At the end of the season a banquet was held to honor the team. Bob Calhoun and Howard Orth were named co-captains for next year.

The spring of 1947 found baseball returning to Highlands after several years' absence. Under the direction of Coach McClure the boys showed lots of enthusiasm in spite of the fact that over half of the scheduled games were cancelled.

Highlands lost the first game of the year to Bellevue, 6-3, after a hard fight. Pitchers were Gross for Bellevue and McFarland for Highlands.

Four days later Highlands won its first game. Dayton returned home from Moyer Field on the short end of a 9-6 score. McFarland was the winning pitcher for Highlands.

April 22, Hisle, Bellevue's mound ace,

held the 'Birds to two hits in winning 9-3. Hicks was the losing pitcher.

Highlands, on the rebound from this defeat, edged out Newport 8-7 in extra innings. Wiggins was the star of the game, driving in five runs.

The 'Birds met Holmes in their fifth game and lost 8-3. Smith pitched for Holmes, while Hicks started for Highlands.

Three days later Highlands lost a night game to Silver Grove, 13-11.

The next week Highlands met Bellevue in the Tournament. Hicks allowed only two hits, but the 'Birds made seven errors and lost 4-3.

The golf program at Highlands was resumed last spring after an absence of several years due to the war. The squad was relatively inexperienced, being composed mostly of younger boys. The team played eight matches and won seven, losing only to Cincinnati Withrow. The boys also participated in the Kentucky State Golf Tournament and, although not winning, they gave a good account of themselves. With most of last year's squad for a booster the team was very successful this spring.

Along with the renewal of other minor sports at Highlands, tennis came to life in 1947. Under the guidance of Coach Charlie Allphin, the boys played two matches and unfortunately lost both of them. Both were played against Covington, Holmes, however, which has always had good tennis squads. The first match was close with the Bluebird racqueteers finally losing 3-2 after several hours of gruelling battle. Coach Allphin became ill before the second match and the boys were forced to decide for themselves who would play. Covington again won, 5-0.

GIRLS' ATHLETIC ASSOCIATION

A stranger walking through the halls of Highlands on any Monday or Friday afternoon during the winter would probably hear wild cries issuing from the vicinity of the gym. Drawing nearer he would doubtless assume it to be the varsity basketball team preparing for a tough game. But upon opening the gym door he would be staggered by the sight of

numerous members of the so-called gentler sex in stages of wild animation. On closer investigation he would find that it is merely the Girls Athletic Association getting their muscles in shape for the next basketball game. There were quite a few "hotshots" in the organization this year and the girls managed to field one of the peppiest teams in years.

Under the able leadership of Miss Cockrell the past year has been a prosperous one. The girls started in September with volley ball and when the basketball season rolled around they switched to the cage game. The group worked hard for their first game with Newport High, Friday, February 27. After a hard game the female Wildcats finally won out, 18-8. The freshman girls fared better, winning 8-5 in a close game. Several other games were scheduled later in the year. With the return of sunny skies the girls will take up baseball.

MAC McKENNA'S BAND

It's the night of the big game with Bellevue. The fans are tense as their teams warm up. As the teams leave the field, the shrill blast of a whistle cuts the air—followed by a roll of drums and suddenly the familiar strains of "Oh Hail Highlands Team" reach the fans' ears as eighteen lively majorettes strut onto the field followed by the Highlands band. As this impressive array of blue and white uniforms and white-tassled caps moves down the field, a patriotic chill stirs each Highlands student. While the crowd stands at attention for the "Star Spangled Banner," let us briefly review the things that made this glorious spectacle possible:

Early in the dawn during football season Highlands students are awakened by

the strains of some stirring march floating in their windows. It is undoubtedly the theme of a snappy new half-time routine which originated with the genius of "Mac" McKenna, the band director. Besides these early morning drills there were long hours of practice indoors which resulted in Highlands having one of the best bands in the state.

Half-time shows at football games are not the extent of this versatile organization by any means. In November they settle down to the more serious business of concerts. These delightful sessions are presented on Sunday afternoons through-

out the winter. Add to these performances pep rallies, the Holy Name Parade, Parent-Teacher Association meetings, Veterans Administration Hospital programs, and many others and their total performances through the year number forty-two.

In April the band entered the Northern Kentucky Music Contest and in May journeyed to Lexington for the State Contest. Needless to say the group returned with a large number of "superior" ratings. As a climax to the musical year at Highlands the band and the chorus combined their talent to present the annual Spring Music Festival.

mixed chorus each received a rating of "superior" at the district contest held at Covington, and were graded "excellent" at the state contest at Lexington. The

solos, trios, and mixed quartette returned from Covington with eight "superior" ratings and received two "superiors" and six "excellents" at Lexington.

To be eligible for the chorus a student must be in senior high school and must be enrolled in one of Mr. Jones' regular music classes. The eighty members of the chorus meet in the auditorium at home-room period for a practice session every Thursday.

This year the chorus performed at several meetings of the Parent-Teacher Association, at the Northern Kentucky Education Association conference, at various school assemblies, at the annual Christmas pageant, at the Music Festival held in the spring in co-ordination with the Highland Band, and at Baccalaureate. Mr. Jones has received many compliments for his fine work, and the chorus is always looked upon with pride by all the students at Highlands and the citizens of Fort Thomas.

SENIOR DRAMA CLUB

"A Lucky Penny"

The senior and junior dramatics classes, directed by Miss Avice White, have had an unusually outstanding year.

First, the dramatics department did something very original in their field. They presented "The Voice of America," a choral drama emphasizing the character-

istics of our American way of life. Elizabeth Haizlip, acting as seeress, introduced an oral chorus, which through harmonious expression appealed to the patriotism of all. As the chorus recalled famous men and happenings in history, these were portrayed by costumed stu-

dents, posing in lighted tableaux. High praise for the first performance warranted a second and third performance in the Highlands auditorium. Besides these presentations, the entire program was given over radio station WZIP in Covington, and was presented later by television on WLWT in Cincinnati.

The first actual play, a three-act farce entitled "A Lucky Penny," was given in December. Paulette Hasselbrink and Barbara Butsch had the feminine leads, with Mark Stuntebeck and Blaine Moore playing opposite them. The leading couples skillfully acted out their romances before a realistic outdoor setting and made the play a great success.

In February a second three-act play was presented. "Headed for Eden" was

the title of this production. The joys and troubles of the working girls in Mrs. Skipworth's boarding house gave an exciting and humorous plot to the story. The cast included Barbara Curtice, Bill Harvey, Peggy Hughes, George Fischer, Barbara Schwartz, and a host of others.

Don't hide his good looks under that grease!

JUNIOR DRAMA CLUB

Curtain time! . . . yes, once again the junior dramatic class has had a successful and eventful year under the able direction of Miss Avice White. The first presentation of the school year was a choral reading, "The Voice of America." Next came the delightful comedy called "A Lucky Penny." Following this was a fast moving play entitled "Headed for Eden." These three were produced in conjunction with the senior dramatic class.

Early in March a one-act play called "A Date for Bobbysox" was presented for the Parent-Teacher Association. This was the story of a "slick chick" named Bobbysox, her date Harold, and their many humorous escapades. To raise money for the junior class another one-act play was given entitled "Stoney's Bride" in which poor "Stoney" ended with one bride too many.

OUR FUTURE STATESMEN

After a late start, the 1947-48 student government went into speedy action. The delegate assembly organized a system of student hall supervision and the student council sponsored a drive for funds for the starving children of Europe. Delegate

FUTURE HOMEMAKERS OF AMERICA

"The Highlands Chapter of the Future Homemakers of America will come to order." These are the familiar words of Marcia Keslar as she lifts her gavel to preside over the F. H. A. Club each Friday afternoon. This year the club produced a musical program for the entertainment of the student body and sponsored a highly successful "leap-year" dance. With the funds from these projects the club presented the Home Economics Department with an electric mixer

HI Y CLUB

After an absence of six years the Hi-Y club returned to Highlands under the sponsorship of Mr. Evan Jones and the leadership of Don Grimme, the president. The Hi-Y club is the high school branch of the Y. M. C. A. and its purpose is—"to create, maintain, and extend through-

out the school and community high standards of Christian character."

During American Brotherhood Week this year, the Hi-Y sponsored an assembly at which several of the members spoke. Their objective was to destroy prejudice. The club also held a dance in February to raise funds. Two members were sent to Frankfort to take part in a convention of all the Hi-Y clubs in the state of Kentucky.

Attendants of the King and Queen of May pass through the arch of flowers.

The nineteenth annual Health and Play Festival was held Tuesday, May 20. Following the parade of flags by the tenth grade girls, the King and Queen of Health, Dick Thompson and Norma Stegeman, entered with their attendants.

Trumpeters, crown bearers, and train-bearers were chosen from the three elementary schools, while the other attendants were chosen from the junior and senior classes at Highlands.

BLUEGRASS BOYS' STATE

Again this year Highlands was represented at Bluegrass Boys' State by ten junior and senior boys. Boys' State was held at Fort Knox, June 21-26 last year and was attended by two hundred students from schools throughout Kentucky. The boys organize their own government and learn the fundamentals of good citizenship. Bob Calhoun had the honor of being elected Governor.

Every Friday the homeroom of Mrs. Burt is filled to the brim with aspiring young reporters. The Cub-Reporters club although new this year, has proved its worthiness. The members learn the fundamentals of journalism which will convert these prospective reporters into future editors. When a cub-reporter has had five of his articles printed in the Hill-topper, his name is added to the mast head.

Planning for the Future

In the final analysis, good telephone service depends largely on men and women who are well-trained and skilled in their jobs.

Plan now to become a part of the telephone organization when you graduate from high school. You will find that telephone people like their jobs — and that every job is important. The pay is good. The work is steady. The Company's Benefit and Pension Plan helps employees and their families in time of sickness, accident, old age, and death. And the opportunity for advancement is open to all.
